

The Prevent Duty

This document is produced for staff working with the children at Pixies and is a point of reference for families and others visiting the setting. Within this document 'staff' refers to all persons directly involved in the care of children at this setting, irrespective of their employment status, and includes students, trainees and volunteers.

The Prevent duty

Pixies Childcare Ltd has regard to the Prevent duty 2015. This duty works alongside other safeguarding policy and practice as required by Working Together to Safeguard Children (DfE 2018). The designated lead for safeguarding has oversight of the Prevent duty at our setting.

The Prevent duty aims to stop people becoming terrorists or supporting terrorism and to keep children safe from associated dangers.

Working in partnership

Our policy and practice meets the requirements and recommendations of the Brighton & Hove Local Safeguarding Children Board <http://www.brightonandhovelscb.org.uk/>

Staff training

We will support our staff to feel confident to recognise signs of people at risk of being recruited by terrorist or extremist groups through accessing advice via the LSCB.

National NDNA advice suggests that staff are alert to:

- Changes in family behaviour
- Changes in the children's behaviour, e.g. aggression towards others
- Comments made by a child which may cause concern, e.g. commenting on what their mummy or daddy has said, talking about fighting for 'the cause' etc.
- Comments made by family members, e.g. about certain faiths, beliefs, cultures
- Any other signs that family members may be showing extremism

IT policies

Internet safety will be maintained at all times, alongside our social media policy.
